

Dr Ben Marram
BSc MSc CPsychol DClinPsy SRCN

**Consultant Clinical Neuropsychologist and
Chartered Occupational Psychologist**

HCPC Number: PYL30893

07852617763

benjaminmarram@gmail.com

Consultant Clinical Neuropsychologist

Independent Practitioner from 2016 to present

I provide specialist psychological and neuropsychological assessment, therapy, rehabilitation and consultation throughout the North East and Yorkshire.

Freelance Trainer

Headway (UK) from 2024 to present

I provide national and international training about acquired brain injury on behalf of Headway (UK). I work with a team of Neuropsychologists to develop Headway UK's national training strategy.

**Consultant Clinical Neuropsychologist and Professional Lead for
Neuropsychology**

**Leeds Community Healthcare NHS Foundation Trust from 2022
to 2024**

I was the lead Consultant Clinical Neuropsychologist for Community Neurorehabilitation services in the Greater Leeds area. I provided expert assessment, rehabilitation and clinical leadership across neurorehabilitation pathways.

Principal Clinical Neuropsychologist

NuTH NHS Foundation Trust from 2019 to 2022

I was the lead clinical neuropsychologist for developing and delivering on national neuropsychological services for people affected by rare mitochondrial disease.

Senior Clinical Psychologist (in Neuropsychology)

NTW NHS Trust from 2015 to 2019

I worked with adults with acquired brain injuries and other neurological conditions in a specialist regional level-one trauma rehabilitation centre.

Trainee Clinical Psychologist

NTW NHS Trust from 2012 to 2015

I worked with a range of children and adults who were experiencing psychological distress using evidence-based therapies and approaches.

Occupational Psychologist

TEWV NHS Trust from 2010 to 2012

I was responsible for supporting adults who experienced common mental health difficulties both in the community and in a secure inpatient setting to access and maintain meaningful employment.

Occupational Psychologist

Momentum Skills from 2009 to 2010

I was responsible for supporting adults with acquired brain injuries and common mental health difficulties to access vocational rehabilitation and oversee their successful return to employment.
